FOREWORD

The *El Espejo Staff* of 1964 has endeavored to present in pictures and writing a complete overview of life on the Don Rancho. As you gather your personal thoughts and combine them with the contents of this book, we sincerely hope that *THE GOOD OLD DAYS* of 1964 will be as outstanding in your mind as they are to those who produced the *El Espejo '64*.

Sophomores became a part of the Rancho September 16, 1963, and began to build their foundation for a successful future. As always, Sophomores were spectators at first, but as they learned the ropes, their class came alive with new ideas which, added to the old ideas, enabled them to raise money to support their class projects.

It might be said that the Junior class stepped in and took the bull by the horns during their second year on the Dominguez Ranch. From their experiences the previous year they knew more or less what was expected of them. With new and more challenging responsibilities, they calmly and successfully hung on to the bull's horns for the remainder of the school year. As a result the Junior class retained nothing but memories of success.

For the Seniors it was the last round-up of memories. Graduates of '64 do you recall: the first day of high school, the first big dance, the games that were won or lost by one point, those that went into overtime and became a Dominguez victory? Do you remember the pep assemblies, showing off your new class ring because it gave you a sense of pride to know you had reached another stepping stone, the tag sales, student-body card sales (which we usually managed to win)? Do you recall Senior parties, the privilege of Senior Lane, and as the year began to draw to an end, Senior Day, Senior Breakfast, and finally—June 18, GRADUATION?

Yes, Seniors, *THE GOOD OLD DAYS* had come to an end, but when they start to fade away it will be time to dig down into that old chest and pull out your *El Espejo, 1964*.

THE GOOD OLD DAYS

1964

John Fitzgerald Kennedy

1917-1963

L. GIRARD

"Ask not what your country can do for you-- ask what you can do for your country."

In a moment of incredible shock the head of our country laid helpless at the climax of his prosperous life.

A man whose powerful personality and sparkling wit had a warm way with crowds. The desire to serve his country rang loud across the nation. John F. Kennedy was a man who combined the forces of action and intellect in a brilliant manner. He fought for his beliefs with a vigor which definitely will remain as one of the most outstanding characteristics of President Kennedy.

Mr. Kennedy has left us many memories of:
A courage that brought us prestige from nations around the world, a smile that let his audience know that he enjoyed talking with them, his New England accent, his way of pausing in a speech and smiling, an inscribed coconut shell, and a rocking chair.

The citizens of this great country must now carry on with the same vitality and energy, the intelligence and enthusiasm, that our leader would have.

The students of Manuel Dominguez Senior High School are truly proud that we were so privileged to have a man like John Fitzgerald Kennedy serve as our Thirty-fifth President.

Betty Wickman
EDITOR-IN-CHIEF

It takes many things to run a good school, and without the fine faculty staff that we had in 1964 many of the **Good Old Days** would not have been possible.

Faculty members, as well as Dons, enjoyed their snack privilege and met for coffee in the North 40 or the staff lounge.

Regardless of their busy schedule they always found time to talk with Dons concerning current issues or personal problems. Advice was always given wisely and with much thought.

Class sponsors devoted many hours of hard work toward making extra curricular activities popular with the entire Student Body. Our faculty was always willing to help out with our night events and made them more pleasant to attend.

Recognition should be given to all teachers who sponsored a club or organization, because through their effort Dominguez became a better and more outstanding school.

For three years Seniors were guided by the Rancho staff and with much appreciation and thankfulness they will always remember their happy and sad experiences at Dominguez.

Board of Trustees

The Board of Trustees met on the second and fourth Tuesday of each month. At seven-thirty the president, Mr. Everett D. Pyle, called the meeting to order. Business concerning the schools of Compton was discussed. It was the job of the Board to decide on educational problems and maintain our high standards. Their excellent secretary, Mrs. Joan Hall, kept a record of the meetings and proceedings. This year the members were Mr. W. E. H. Knight, Mr. Everett D. Pyle, Mr. Edwin Chaffee, Mr. Joseph L. Causey, and Mr. Jesse Robinson. Later, Lt. Mannie Correa of the police force was made a member.

District Administrators

Rae E. Cargille
Superintendent

The five District Administrators worked under our Superintendent, Rae E. Cargille, again this year. Their duties were to maintain the school policies for the Compton District. Each administrator was in charge of a different aspect of the Educational Program thus insuring coordination and efficiency. The five members were Mr. Kenneth W. Mason, Mr. Carl J. Burk, Mr. Leslie W. Van, Mr. Charles Ambellan, and Mrs. Helen Thompson. The three secretaries of the District Administrators were kept busy with the business of the Compton schools. Mrs. Marie Wright, Mrs. Hall and Mrs. Sherry Holman made sure that the correspondence was efficiently carried out.

To the Senior Class of 1964, we extend a most friendly goodby and wish them well in all their future endeavors. We congratulate each member of the class upon the completion of three successful years of study. You will find that your diploma will open many doors to further and greater achievement. Our most sincere thanks and appreciation for the many worthwhile projects that originated and were completed by this class. Our campus has benefited greatly by your stay and makes Dominguez a better place to "live and learn" for future students.

Counseling

Mr. Louie Joseph and Mrs. Opel Pirott's job as vice-principals was mainly to keep the activities of the students under control and help all who had problems. Mr. Joseph supervised and organized all athletic contests and supervised the Booster Club. Mrs. Pirott proved her organizational ability in keeping the school calendar in order.

Mr. Barmore prepared the Iowa test schedule for Juniors and Sophomores, while the Seniors were being informed of college and business world trends. Mr. Barmore counseled students as well as seeing that the counseling department ran smoothly.

Mr. Gregory supervised Student Activities. Among his many duties were the Student Store, assemblies and student government. On leave the second semester, Mr. Gregory left for Europe. Mr. Chuck Kane temporarily assumed the duties of the Activities Coordinator.

EUROPE BOUND: Robert Gregory, Student Activities Coordinator explains a few of his special techniques in handling Student Cabinet and the Don Activities to Chuck Kane who will take over second semester in Mr. Gregory's place.

It would be impossible for anyone to conceive all the duties of the Counselors. Mr. Eugene Barmore, the head counselor, helped not only the students of Dominguez but also ex-Dons. The three counselors, Mrs. Vivian Benninger, Seniors, Mrs. Kathleen Eacutt, Juniors, and Mr. William Healy, Sophomores, helped each grade with their separate problems. Seniors had to take such college tests as ACT and SAT and then had to plan on the college they wanted to attend. Juniors had to plan their all-important senior year, and Sophomores had to adjust to the fast pace of High School life. Some other jobs of the counselors included enrolling new students, checking transfers, parents conferences, taking care of attendance, test interpretation, and many more. William Healy, Vivian Benninger, and Kathleen Eacutt check to keep attendance records straight.

Secretaries

Under the keen direction of Mrs. Helen Pearman, head secretary, the secretarial duties were carried out in an efficient and orderly manner. Mrs. Pearman received all calls and correspondence for Mr. Lee, set his appointments and issued supplies to the teaching staff. Miss King and Mrs. Carr worked for the Assistant Principals. Contacting students and maintaining their records was their job. Mrs. Judkins worked in the library when Mrs. Moore was out. Mrs. Henry had to check the roll sheets and make out the master absentee list daily. Mr. Gregory's secretary, Mrs. Freeman, sold tickets to dances and school affairs and accounted for the student body fund. Mrs. Honerkamp assisted in the Guidance office. Mrs. Miller also worked for the Guidance office. At Christmas she helped students to obtain Christmas jobs. Attendance records were kept up to date by Mrs. Sisemore. When she wasn't working in the attendance office she was helping in the library.

We were all grateful to the classified personnel, as we are each year. Our gratefulness extends to our dependable Bus Drivers who faithfully transported students to and from school. It was especially appreciated when they helped us on special night events. Our Cafeteria personnel assured us of a daily hot lunch. They also cooked for extra school banquets and dinners. The maintenance of our school was sustained by the custodians whose working hours began at the ringing of the last bell. Night after night they cleaned the rooms and halls so we could return to a well-kept campus. The Gardeners worked everyday to keep the landscape worthy of the Don pride.

Electricity

Students in first quarter electric shop devoted their time to note-taking and experiments. Later in the first semester they brought old radios and rebuilt them. Second semester was more of a challenge to all. During the third and fourth quarters the boys built their own projects including such things as AM-FM radios, "walkie-talkies," short wave radios and some rebuilt and repaired televisions. Students found that this class will be a valuable asset in later years, in their professions and in home "do-it-yourself" projects. Frank King and Tom Watson thought they would try the big drill on their small radio in their Electricity class . . . the result . . . chaos.

Advanced Math

The first semester of Advanced Math was devoted to Trigonometry, the study of the triangle. Students learned the functions which are relationships of one part of the triangle to another. Spherical Trigonometry, Solid Geometry and Calculus were studied during the second semester. Calculus is a method of doing problems in a shorter manner. Many nights were spent on projects the second semester. Theresa Hum found that doing problems on the board helped her to understand them better, as did all the students.

Drill Team

All Dons will agree that our drill team, the Donettes, was the sharpest looking outfit around the Rancho. This was proved when they brought home awards and trophies. Fifth period found the drill in one of several places on campus. Before parades one could find the drill team out on Hunsaker Street marching with the band. During the football season they were found with the band again, but on the football field. When there was no pressing performance, the girls gathered outside the dance room. Small groups appeared to practice old routines and to work out new ones. Drill Team members Dottie Stover, Margaret Fannery, Linda De Garmo, and Mary Watters proved to have the Dominguez enthusiasm that was needed to represent the Dons. Hard practice was evident by the fine performance given through out the year.

Merchandising

Students took merchandising to gain knowledge of the principles of selling and retailing.

The class covered such selling points as display work, wrapping and packing various articles, and working the cash register along with the regular textbook studies in math and selling.

The sixteen students that left for work at 12:01 each day found that their twenty-eight hour work-week gave them much valued experience plus the extra money. These students will remember "the Good old days" when they had half a day of school and money coming in too. Students Marilyn King and Carol Gunter, at just one of the counters found in the Merchandising class room, practicing the art of selling.

Homecrafts

The Homecrafts class was offered to those who liked to have good looking homes. It proved profitable because the girls were taught such things as textile painting, batik dying, lamp shade covering, how to smock pillows, and such handwork as embroidery and knitting. At Christmas the girls were given many ideas to decorate the home. The course also taught the girls techniques to make themselves more attractive. Hat making and summer sewing contributed to this. Those who took the course will find that many of the crafts taught in that class will make their homes better-looking with less expense.

Miss Warner's Homecrafts class enjoyed the Christmas season and stayed in the mood by testing their creative abilities.

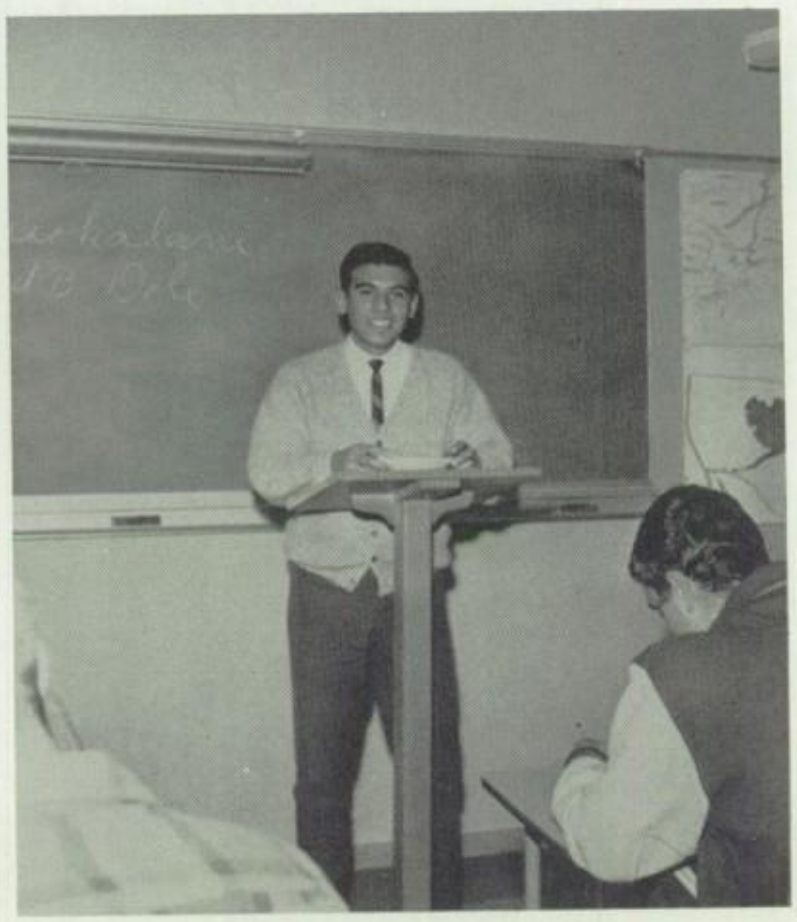
Modern World



Modern World was a new course this year. Its basic purpose was to prepare students for college. Much of the study was on current national and international problems. The course encompassed historic events from 1895 to the present. Students preparing for college also received a good background on how to write term papers and what to expect in college tests. The course was enhanced by films and other visual aids. Students found that oral reports gave them a brief understanding in varied subjects. Steve Markenson fills his class in on a few general details concerning Hawaii.

Fine Arts

Ninety students took Fine Arts this year under the direction of Mr. O'Neill, Mr. Tarzian and Mr. Erjavec. The year started with lectures about Greek Mythology by Mrs. Taylor. Each different phase of the arts was presented by teachers that were experts in that particular field. After mythology, Mr. Erjavec lectured on the history of music. Mr. Tarzian and Mr. O'Neill presented background information on Architecture which was followed by talks by Mr. De Leon on the Classical arch and dome principles. Mrs. Booth capably described the history of the Theatre from the early Egyptian era to the Middle Ages. Mr. O'Neill talked on philosophy and Socrates. Later in the year the history of dance was covered. The course was presented chronologically and lectures followed the arts through the years to the present day. Mr. Tarzian and Mr. O'Neill spoke to Dons' Fine Arts class concerning the Eastern Arts at right.

Old Subject . . .

The **Good Old Days,** filled with oral reports, book reports, term papers and homework assignments kept the Dons busy during the 1963-64 school term.

Reviews for finals, lectures, films, records, and slides of anything from baseball fundamentals to Shakespeare were often a big part of various classes.

To Seniors, the end of the fourth quarter seemed like a dream come true. With preparation for graduation and Senior activities there was little time left to "hit the books," and often the Seniors' teachers didn't even see them enough to make assignments during those last precious days.

The **Good Old Days** were really fun. There were informal discussion groups, experiments that didn't work, and fire drills that popped up conveniently in the middle of a test.

Keeping up with studies and the extracurricular activities on campus, the Dominguez students once again lived up to the high Don standards.

Classes

SENIORS

Energetic Senior Officers Met t

Leading the senior class to a most profitable first semester were officers Denise Draghiceanu, president, Steve Markenson, vice-president; Susan Kolster, secretary; and Lenore Houghton, treasurer. The year began with the annual Homecoming festivities, including a dance, mum sale and card sale — and progressed with the long - to - be - remembered Halloween Party. This event marked the first time in senior class history that a party was held in the first semester. It proved to be quite an addition to the agenda of class activities. Adding money to the treasury were the two fifth-quarter dances, the sale of graduation announcements, and the winning of the student-body-card drive. After bringing the class scrapbook up to date, the council began projecting into the second semester by proposing ideas for a senior gift and purchasing a unique gravestone. At the close of the semester the class treasury had been doubled.

Challenges of Organizing Senior Activities

In charge of organizing the many end-of-the-year activities were second semester senior class officers Roy Christy, president; Jim Skill, vice-president; Lenore Houghton, secretary, and Susan Kolster, treasurer. Plans fell into place for the annual Roaring 20's party as the preparations were initiated for the class reunion to be held in three years. The loose ends were tied as the all-important Senior Week approached. The Class Breakfast, served by capable faculty members, was followed by the traditional Senior Burial. There, an annual, a class picture, a girl's and boy's ring, and other momentos were reverently lowered into their plot in front of the victory bell. The "gravestone" was unique among its companions of '59 to '63. Its novelty reflected the originality of the Class of '64. Steaks and kicks at Newport Dunes added to the memories of a wonderful year as the Class of '64 prepared to bid the Don Campus adieu.

Mr. and Miss Spirit–1964

No matter how much talent a team may possess, it can not be a winning team without the enthusiasm of the home folks. Sometimes a person comes along who is able to spark spirit into a crowd no matter how slow the game. Such a person is Diann Baird, Miss Spirit, 1964. Rain or shine, Diann was on hand to add to or create the excitement at our athletic events. When she was around there was never a dull moment. Diann was always ready to spread a little joy around, even on the darkest days. Congratulations Diann Baird, Miss Spirit, 1964.

School spirit is a combination of enthusiasm, energy and vitality. To choose a single boy who exemplifies the utmost in spirit at Dominguez is a very difficult task. Outstanding because of his energy, enthusiasm and friendliness was Jim Payne, who was elected by the senior class, Mr. Spirit, 1964. Everybody likes Jim. He's always smiling and ready to put in the good word for the other guy. Above all, Jim was sincerely interested in his school. He added an extra spark to the crowd no matter where he was or what he was doing. Congratulations Jim Payne, Mr. Spirit, 1964.

Don and Donna 1964

Margie Smyth's friendly attitude, enthusiastic manner, and constant show of interest and participation in school activties were all contributing factors toward her selection as this year's Donna. Her sincere and truthful personality gained her many friends on campus. Margie's strong loyalty to both school and fellow students made her what all girls would hope to be — the typical Dominguez High School Girl.

Rick Buckhorn's shy but friendly manner, wholesome clean-cut appearance, and his modest and loyal attitude gained him recognition as this year's Don. Among other things Rick's optimistic attitude, neatness, and honesty helped to make him what all boys would hope to be — the typical Dominguez High School Boy.

SINK THE PIRATES!: Flag girls, Pam Grimm, Susie Greene, Alice Gall
Nancy O'Neal and Liz Chase manned the Paramount Pirate ship in
football pep assembly. Later in the show, the wrecking crew fr
Dominguez demolished this ship, and bearded-lady Pam Grimm lost
mustache.

PHONIES: The song girls impersonated the football team in a musical routine at one of the pep assemblies. The girls didn't fool anyone, however. Everybody knows that real honest-to-goodness football players have hairy legs. Pictured here are Eileen Ocello, Sue Wicker and Connie Riddle.

WALL FLOWERS: Until the party started roaring, Bob Miller was seen standing quietly on the sidelines wondering if he should ask that rocking doll next to him (Jim Payne) to dance.

Roaring 20's

SIT THIS ONE OUT: Rick Holmes, Jim Hoffman, and Tim Carlson enjoy the free food at the Roaring 20's Party along with the other senio The imaginative refreshment committee served peanuts from a bar and fruit punch from a bathtub.

GUARDIAN ANGELS: The ever-present chaperones found their way to the seniors' annual Roaring 20's Party. Mr. Kane and Mr. Westfall almost proved to be the life of the party.

CHA-CHA-CHA: Many seniors enjoyed dancing the Charleston, but the most imaginative was Orval Warren who, along with Jill Mangold, danced the Cossack.

SWINGING SENIORS: Those who finally decided to dance found they had much more fun rockin' and rollin' than the spectators on sidelines. Roy Lewis, Deanna Lonsberry, Betty Hickman, and Dave P kow danced until the band went home and felt they still could h danced some more.

Outstanding Senior

Every year, Dominguez awards to one senior boy or girl the honor of OUTSTANDING SENIOR. Scholarship, participation, spirit, personality—these are prerequisites for this award.

This year's Outstanding Senior was Bill Holt. Bill was active and able in every phase of school activity. Being Junior Class President, and a member of the House of Representatives, proved his leadership ability.

Bill Holt is an outstanding student, in fact, the most outstanding student. He was a seal-bearer, an active member of C.S.F., and he achieved the high honor of Valedictorian, 1964.

Very athletic, Bill was a member of Varsity Basketball and Varsity Baseball. His fine basketball showing won him a place on the all Coast-League team.

Bill has a brilliant future. He hopes to pursue a career in science or math. We are proud to have had him at Dominguez.

Congratulations Bill Holt, OUTSTANDING SENIOR, 1964.

Valedictorian–Bill Holt

Certainly outstanding in all phases of school activities was this year's Valedictorian, Bill Holt. His specialty was scholarship. Besides being active in social and athletic activities, he somehow found time to maintain a straight "A" average through three years at Dominguez.

Bill, having several scholarship possibilities, has applied to many California universities, including University of California at Berkeley. He hopes to major in math or science and eventually pursue a career in one of these fields.

Dominguez is proud of Bill Holt and wishes him success in the future.

These past three years have been busy, enjoyable, and self-satisfying for the class of '64. Many things have happened to distinguish this class from those of the past.

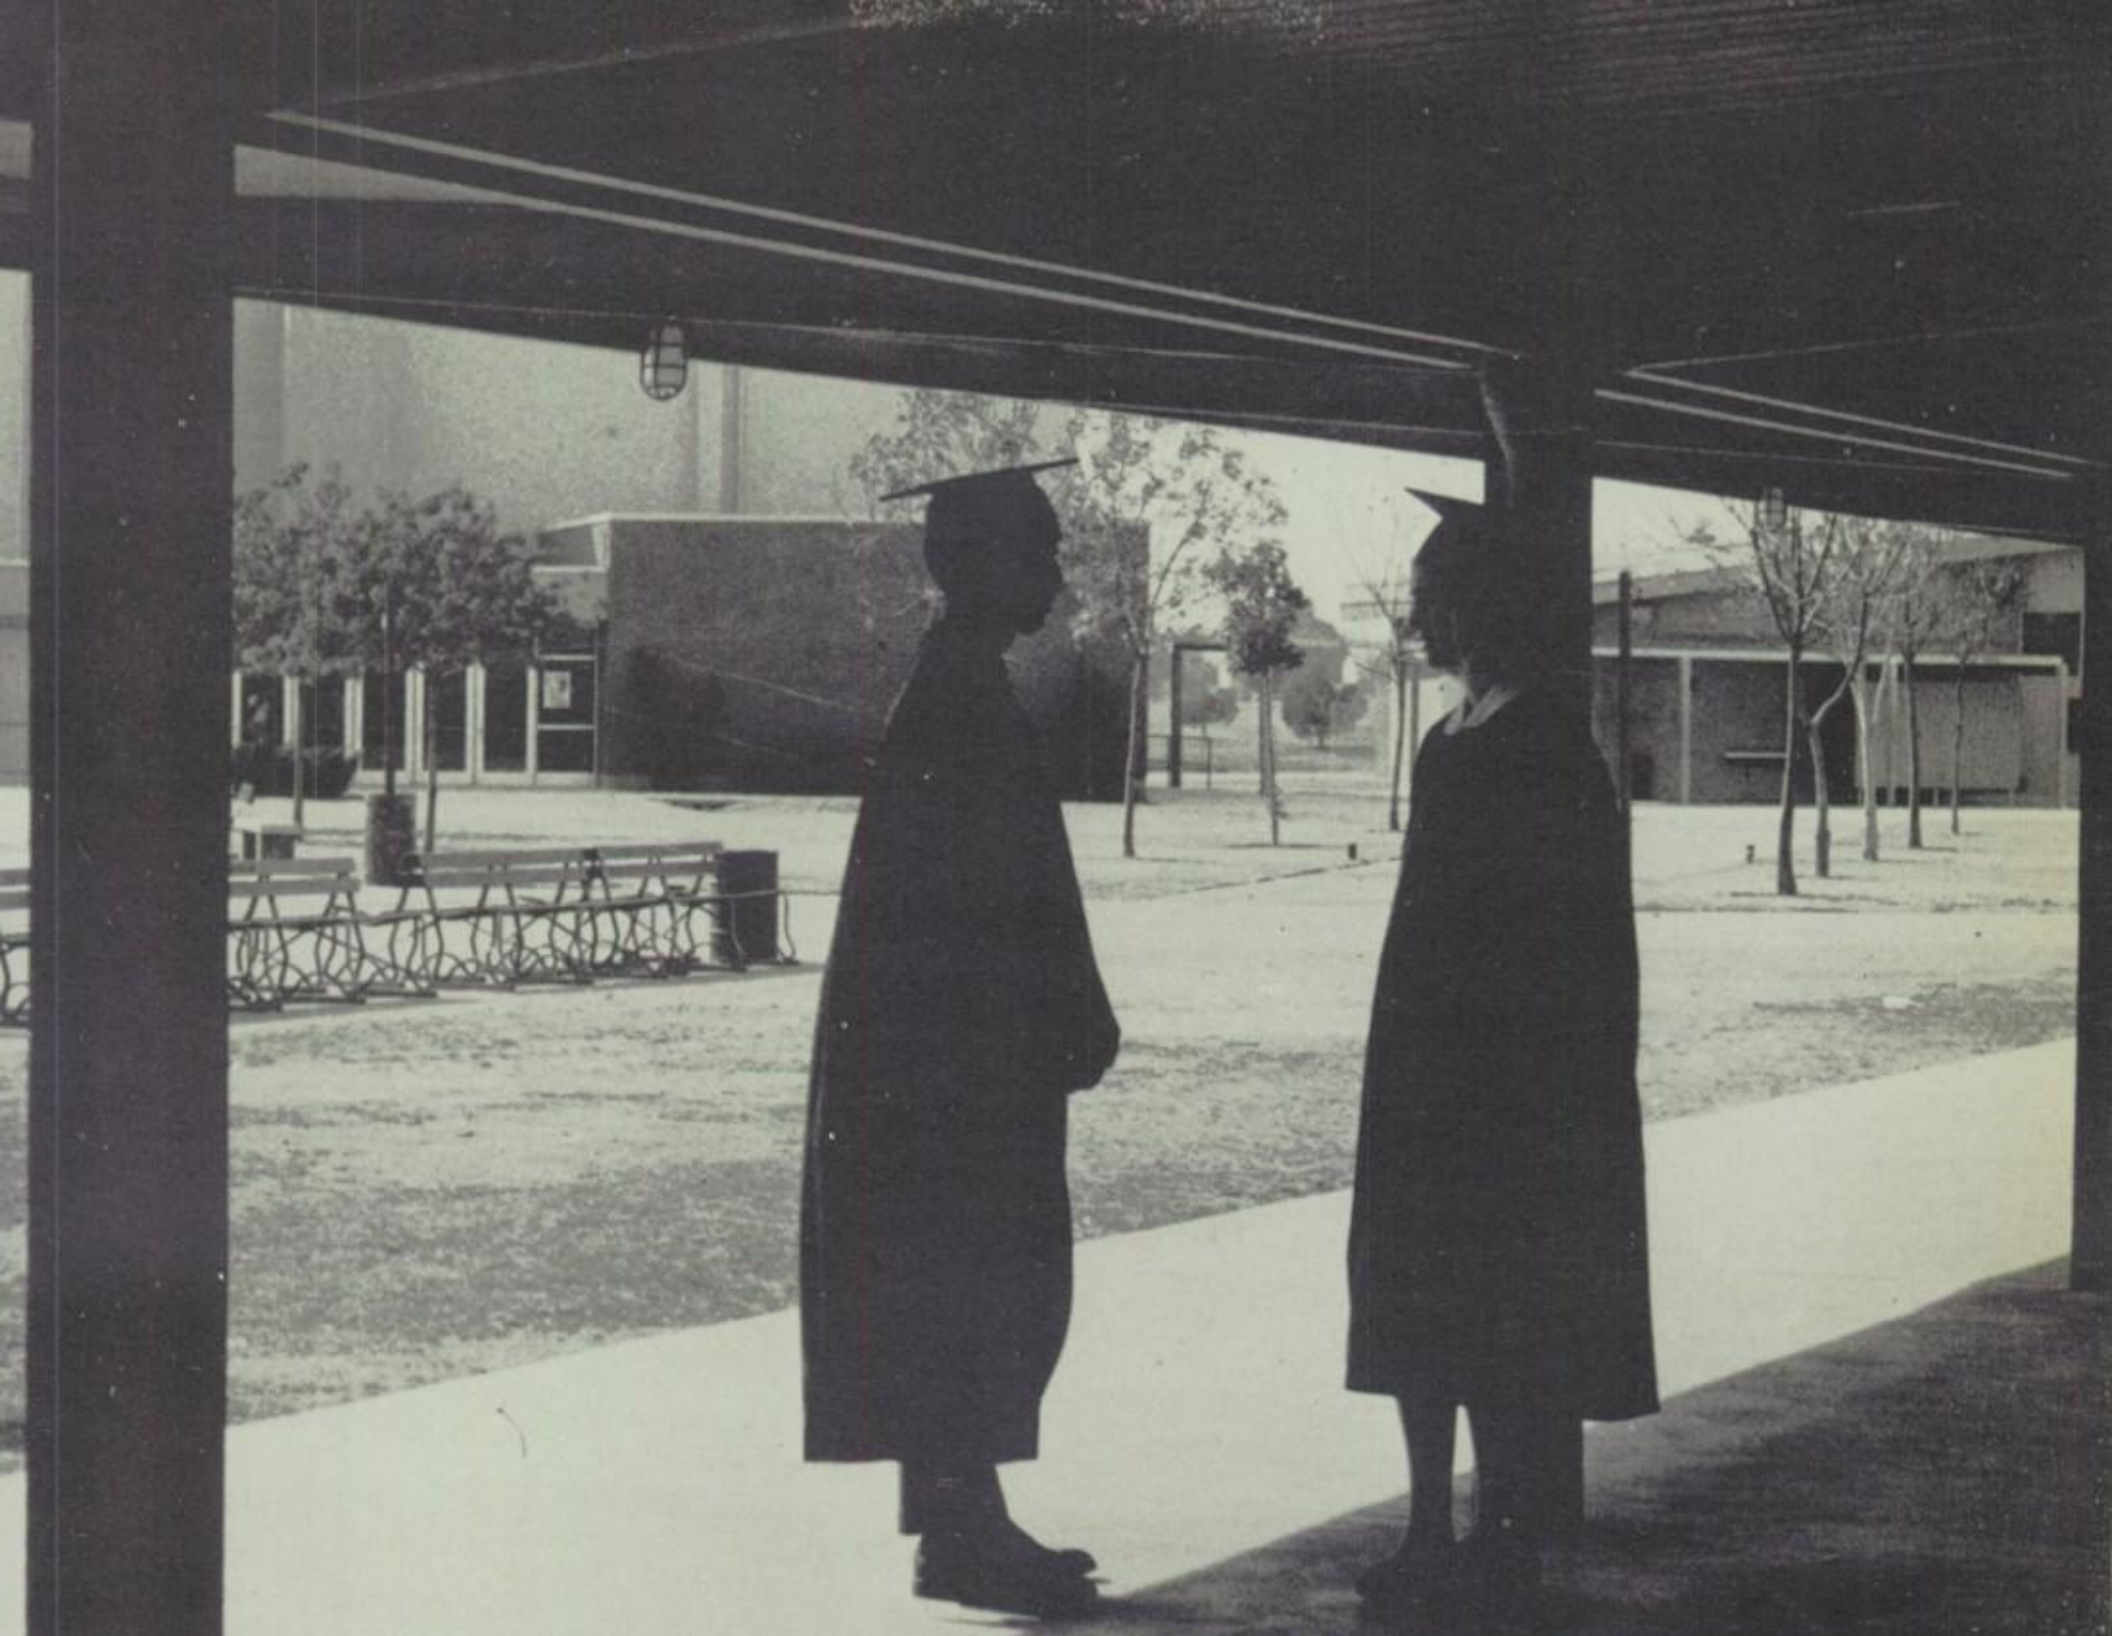
Mrs. Kathleen Eacutt and Mrs. Vivian Benninger were active sponsors during their Sophomore year. They worked long and hard on all Sophomore projects and were always encouraging. As Sophomores, they held the traditional "Don Ribbon Sale." It was successful for it is still producing financial benefits. The class scrapbook was begun in the Sophomore class council. The student body card sales was won by their class, with a $100 check as reward. The capable leadership of Bob Patterson and Denise Draghiceanu, gave the class a good "first-year" start. Nancy O'Neal was selected as Sophomore Sweetheart at the well-attended Sweetheart's Ball.

As Juniors, the class of 1964 did much. The primary project of the first semester was the "Buggy-Scrub." Bob Patterson, first semester Junior class president, was responsible for guiding this successful activity. Second semester president, Bill Holt, and his council, expounded on the ideas of the first semester council in order to plan and carry out a most successful "Junior-Senior Prom." It was held at the Elks' Club on May 10, 1963, and was the final and pleasing touch to a perfect year.

Lucy Vawter was named Girls' State Delegate and Bill Holt was chosen Boys' State Delegate. They represented Dominguez well at the annual Girls' and Boys' State Conventions.

To top everything, their Junior year will probably be remembered as a year of thorough preparation for a stable and well-organized Senior Class.

Finally, they reached the time for which twelve years of learning, not only facts and figures, but the important humanities, had prepared them. This time was graduation. The occasion was both sad and happy. For with this act of finality came the realization that their responsibilities as young adults must be accepted; no longer could they accept or reject according to will. Let us review the productive Senior year.



At last, Seniors became the governing forces of the student body. Presidents Bob Miller and Denise Draghiceanu wielded the gavel and did much to strengthen our student body. Senior class Presidents, Denise Draghiceanu and Roy Christy made certain that the Senior class took an active part in campus activities. The Dominguez publications were "taken over" by Senior ideas and opinions with Denise Draghiceanu and Bob Miller serving as editors of the EL REFLECTO, and Betty Hickman editing the EL ESPEJO. In the important field of sports, Seniors represented their class well on all athletic events. One of the highlights of their Senior Year was the 1964 Homecoming festivities which saw lovely Joan Bullock chosen as Homecoming Queen. Princesses Leslie Clement, Pam Grimm, Nancy O'Neal, and Sonja Sangster added sparkle to the proceedings.

The encouragement of all our teams was important duty of our yell leaders, flag and song girls, majorettes, Band and Drill Team. Flag girls Alice Gallup, Pam Grimm, Liz Chase, Nancy O'Neal, and Susie Green performed with poise and precision. Song leaders Eileen Ocello, Suzanne Wicker, Pam Messick, Connie Riddle, Sherry Boatright, and Betty Poole drew the support of all spectators. Majorettes Maureen O'Connell, Betty Hickman, Wilma Rooker, Jennifer Stanton, and Connie Shoemake performed with grace and accuracy. Drill Team captain Joan Bullock and co-captain Sue Kolster led the Drill team through their paces for the enjoyment of the stands. Chris Thomas was the competent drum major of our band.

Senior activities were varied and drew the interest of many Seniors. They included the sponsorship of several dances. Profits from the fifth-quarter dances, Halloween Party, and Roaring 20's party, plus the $100 check won in the student body card sale enabled them to have a better "Senior Day."

The last few weeks of the second semester were largely comprised of Senior activities. The annual Senior Day, Senior Breakfast, and Senior Burial were enjoyed by all. The vespers service set the mood for the serious and climactic event following it — Graduation.

From the Past to the Present Junior Officer

Junior class officers Roberta Sims, president; Tim Black, vice-president; Reva Hofflund, secretary; and Carol Kramer, treasurer; opened the first semester of school by leading the Junior class in money-making projects. Many new ideas for raising money were presented to the council, but the traditional car wash and spirit card sales were decided upon. Following through with these plans brought in close to $300 for their class treasury. Part of this money was used for the preparation of the Junior-Senior Prom.

Committees were eventually appointed in the Junior class council meetings which selected the Airport Marina Hotel as the place for the Prom. The Detours, a group of musicians, were hired to provide the entertainment.

With a vision of the Prom in sight, the first semester quickly drew to a close for the Junior class.

Combined Their Efforts for a Successful Year.

With Roberta Sims again being elected as president and aided by Sandy Hagaman, vice-president; Linda Loughland, secretary; and Debbie Loughland, treasurer, the second semester Junior class began making final preparations for the Prom. There still was the theme to select, print the programs, prepare the decorations, and sell the tickets.

Finally, with the Juniors' hard-earned money, hard-nosed work, and the leadership of a skilled sponsor, Mrs. Holmes, they combined to present one of the more successful proms in Dominguez' short history.

Besides putting on the prom, the Junior class participated very actively in student government functions. This was the first year Dominguez had all Junior yell leaders. Also disputing the fact that Seniors "ruled" this year, was the Junior's crushing victory in the annual school decathalon.

These activities were only a few of the many things that helped Juniors prepare for the following year as seniors.

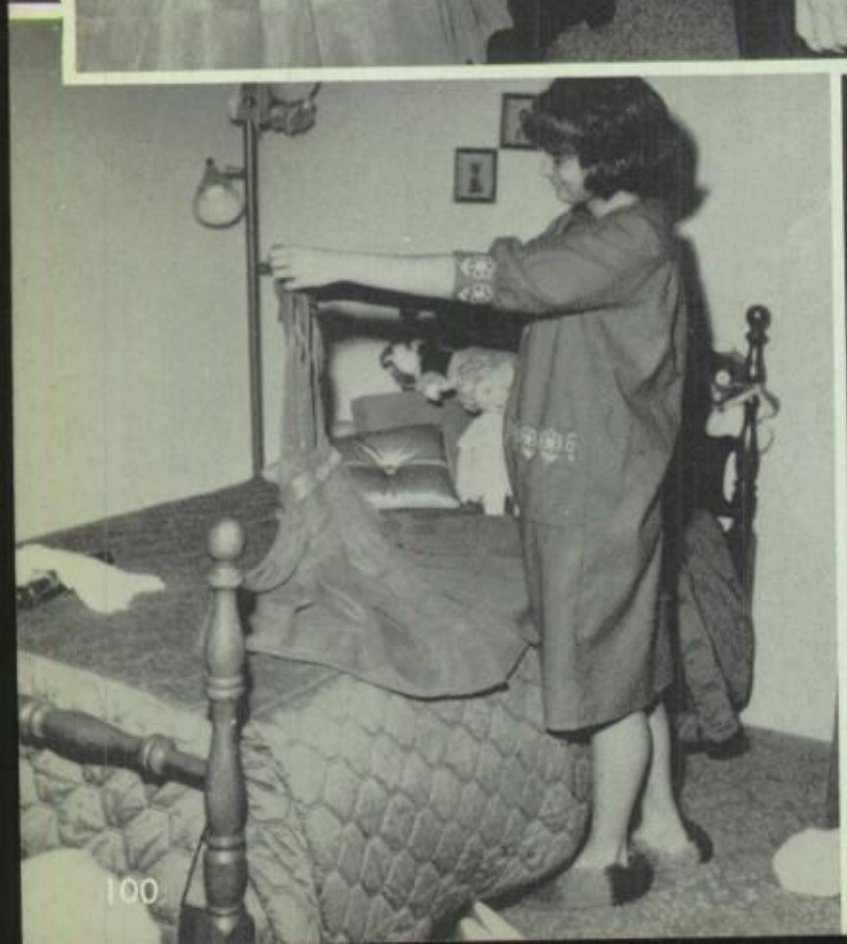
SPIRIT BOOSTERS: A winsome group of yell leaders always added the extra spark of spirit the Dons needed to boost the many Dominguez victories. The Junior spirit sparkers were, Donna Johnson, Mel Espen, Rick Telles, and Yell Queen, Vicki Larson.

Each year the Junior-Senior Prom turns out to be a greater success than the year before. This year was no exception.

As portrayed by Ronnie McGorden and Sandy Hagaman, the many tasks of preparing for the Prom are shown. Which corsage? What kind of tux? How shall I wear my hair?



How long will it take me to get dressed? Although these tasks were long and numerous, they paid off in a successful night.

What girl can forget that magic moment when she received her corsage and what boy can forget that "expensive," but enjoyable moment after the Prom at a well-known restaurant.

Sophomore Leaders Met Challenges o

A sensational performance was given by first semester officers Al Camarillo, president; Rita Maurer, secretary; Carol Loughland, treasurer; and Jean Schott, vice president. Sophomores started the year right by winning first place in the Student Body Card Sale. Adding to the treasury the 70 dollars raised from the Ribbon Sale, Sophomores displayed unusual spirit. The traditional Sweetheart Ball was the most exciting and profitable event of the year, and the grand total of 315 dollars earned, helped the Sophomore treasury. The Sophomores proved their ability to organize and to carry out successful school events.

They Changed From the Old to the New

Under the leadership of second semester officers, Ron Colclasure, president; Kathi Coleman, secretary; Jim Daly, treasurer; and Susan Woolf, vice president (not pictured); the class rings were selected with much care. Second semester officers can be congratulated for executing the plans for the Sweetheart Ball. Many other successful activities were inaugurated this year. The Sophomores extended their thanks to Mrs. Harrison and Mr. Shipman for their helpfulness and guidance during this first year at Dominguez.

Sophomores First Year at Dominguez

SOPHOMORE SPONSORS: Mr. Shipman and Mrs. Harrison worked diligently to help the Sophomores raise money for their many activities. Their presence at Representative's meetings was greatly appreciated by the class officers and representatives.

SOPHOMORE COUNSELOR: Mr. Healy, Sophomore counselor, helped many students reach important decisions during the past year. With his assistance they planned their programs for next year and prepared for their future occupations.

CONGRATULATIONS RON: After leading the Sophomore class through a successful first semester, Al Camarillo congratulated the newly elected Sophomore President, Ron Colclasure, confident that he would not let the Sophomores down during their last semester.

HAND IT ALL OVER: As Paula Thompson and Sal Gutierrez, Sophomore class representatives, hand in the money they received selling DON ribbons, it is carefully counted by Cary Loughland, Sophomore Treasurer. The Sophomore ribbon sales on game days boosted both the student's spirit and the Sophomore's treasury.

Old Subject . . .

As we look back at the **Good Old Days** of sports events, it stands clear that expert coaching and team work were the main assets to all of the Dominguez teams.

Our athletic teams helped to put the Dons "on the map" as an outstanding high school in athletic competition. Determined, responsible, and willing-Don athletes were ready to stand up against any team. The "Dominguez enthusiasm" that we have become well known for throughout Southern California is something that isn't found in every high school. The Cross Country Invitational, the Pre-Holiday Basketball Classic and the Dominguez Relays brought athletes from schools as far away as Santa Barbara.

The Dons were able to boast of the fine job their teams did to represent their school in 1964. In return for supporting the teams, the Dons shared the spoils with the victors.

A TEARFUL MOMENT

Homecoming 1964

Queen Joan Bullock

Joan Bullock and escort John Wright

A true queen must possess many qualities. Little things —a smile, a gesture, a tear, give her a personal type of beauty that makes her remembered by her subjects long after the other queens have been forgotten.

As 1964 Homecoming Queen, Joan Bullock and escort John Wright walked onto the field, the Donettes kneeled graciously. Because she was drill team captain, they knew her as a leader and a friend. A blue dress, a bouquet, and a lovely blond—these were Homecoming, 1963.

The curtain-raiser found the Dons facing a formidable San Bernardino squad. After a hard-fought battle the "San Berdoo" team was crushed 25-6. The big win featured long runs by Terry Cole and pinpoint passing from John Kershaw to Bob Miller and Gary Lasiter.

The second game was played at Ramsaur against the Glendale Dynamiters. In the first half it looked like another victory for Dominguez. However in the second half, Glendale came out with a supreme effort and eked out a 20-19 upset. Outstanding performances were given by Bob Miller in pass receiving, Terry Cole and John Halberg in running.

The last practice game was against L.B. Jordan. This was a surprisingly hard contest ending with a 13-6 victory for the Dons.

The league opener was against the powerful Apaches. Their speedy backs would not be contained and the Dons went down to defeat.

The next game was our Homecoming against Paramount. In a devastating offensive attack, the Dons sank Paramount 46-6. Kershaw, Miller, and Cole again led the attack and two interceptions by Roy Christy led to two touchdowns for Dominguez.

The following game was against the Compton "Tar-Babes." In a close game Dominguez found themselves on the short end of a 13-7 score.

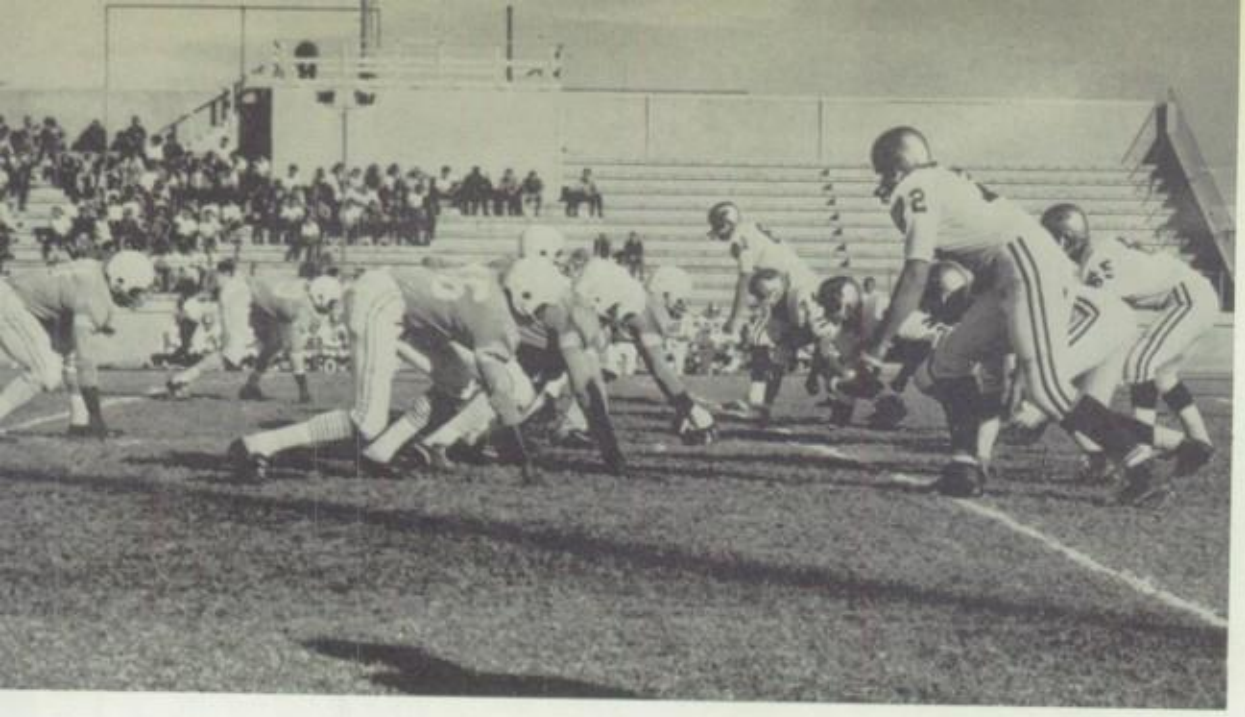
The Lynwood Knights were the next league foe. With a brilliant attack and tough defense the Knights dominated, winning 19-0.

The last game of the season was played on a wet and muddy field against the Warren Bears. In this rugged contest the Dons lost a hard fought game 13-7. Jim Barden led the attack on the ground. Spearheaded by Roy Christy the entire defense played a creditable game.

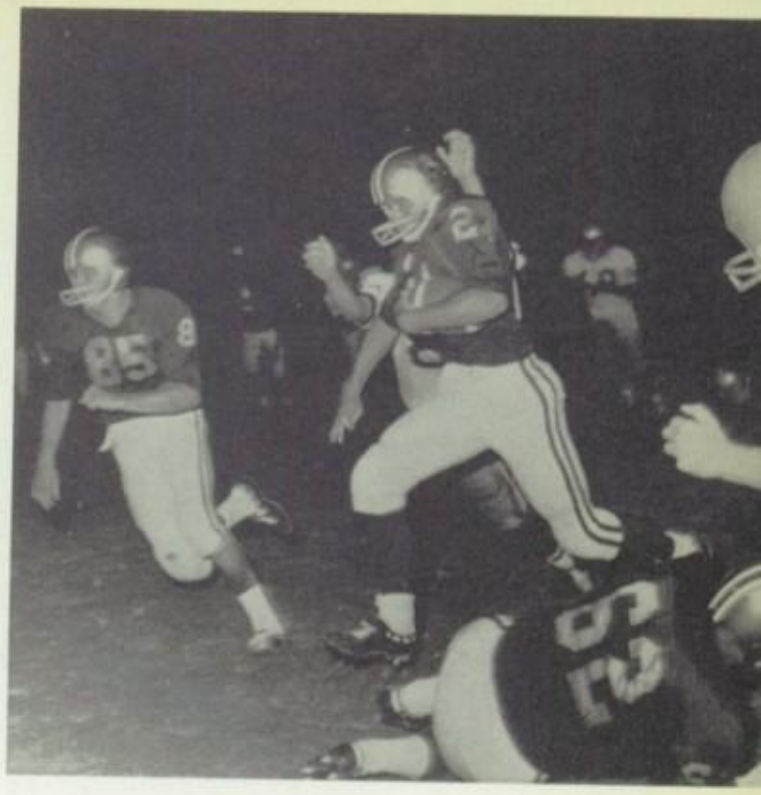
—Coach Spindola

LAST MINUTE INSTRUCTIONS: Coach Spindola gave Co-Captain John Kershaw vital offensive instructions for his team mates before crucial Coast League contest.

IF HE DOES IT AGAIN, BLAST HIM: Marty Arias, John Beimer and Marc Berger planned defensive strategy to stop a mighty Warren drive.



SPIRIT WAS HIGH: Don fighting spirit was high as they met the Compton Tarbabes, at Ramsaur Stadium, in crucial league play.



PAY DIRT: Marty Arias, 62, and Dean Lasiter, 85, assisted Terry Cole in an impressive gain during the Dominguez Homecoming game against Paramount.

Fighting Spirit

GOOD EFFORT: Lasiter made a tremendous try to bring down a tough Lynwood ball carrier, as Chip Carpenter rushed forward to render his assistance.

ON GUARD: Mike Pringle, 72, and Bob Plank, 86, waited to put finishing touches on an effective tackle by Jim Barden.

QUICK TO REACT: Mike Pringle was ready to make a brutal tackle in an exciting Compton day game.

'63 Co-Champs

With an explosive attack which unleashed 158 points in eight games, our Dominguez Junior Varsity footballers accomplished a first in school history by capturing a piece of the Coast League Championship. Led by the finest backfield in J.V. annals, the Don's finished the 63 season with an overall 5-3 record.

Steve Cashdollar, Randy Coates, and Sal Guiterrez teamed up to give opponents fits. Leading this trio was quarterback Doug Price. Coates and Guiterrez, while not as prolific as Cashdollar, came up with a big play time and again. Both boys are the grinding, crushing type of runner, and will be around for two more years.

It's what's up front, and such heroics would not have been possible without the determined forward wall the Dons displayed in '63.

—Gary Gard

Our Bee Football Team put forth a magnificent effort and brought home the league title for the Dons.

Ours was a team pulling together all the way, allowing our opponents only 24 points during the whole season.

Steve Littman did a fine job of kicking off, punting, and kicking extra points. Furthermore, an outstanding job of quarterbacking and calling offensive signals were attributes of Steve.

Mel Bonner, Ron Klein and Chris Thomas were constant threats by running the ball all the way.

Jack Neglia and Orval Warren deserve a special tribute for their tough defensive play throughout the season.

—Coach Pelovsky

TIMBER I I: Steve Littman made a gruelling tackle to bring down a Warren runner.

They Ran and Won

Under the experienced leadership of Coach Dick Reese and team captain Warren Lewis, the Dons found themselves holding six new Cross Country course records, an undefeated Junior Varsity squad, and taking eighth place in Triple A C.I.F. competition.

Pacing the Dons to victory were Warren Lewis, Bob Willoughby, and Richard Douglass, all of whom hold course records at various Coast League schools.

With a season total of eight wins, only one loss, and a fine nucleus of many fine returning Harriers, the Coast League title should come easy for the Dons next season.

Cagers Demonstrated Agility

The best Dominguez has ever had! That was what the students, faculty, alumni, parents and boosters were saying about the 1963-64 Don Varsity Basketball season.

Don fans thrilled to the sight of Herb Hargate scoring on a long jump-shot; Bob Miller grabbing a rebound and shooting his "patented" hook-shot; Terry Haynes leading the fast-break away and Bill Holt tormenting the opposition with his great defense.

The championship in the Newport Tournament was a first for a Don team, as were the three victories in the C.I.F. play-offs which enabled the Don squad to advance to the quarter-finals. The victory over C.I.F. champion, L. B. Poly (the only loss Poly suffered during the entire season) proved that the Dons had the spirit and know-how needed to play top-notch basketball.

Other honors gained by the Dons were: 22 wins in 28 games; second place in our own Dominguez Classic; second place in Coast League competition.

This year's squad really put Dominguez on the map. Returning lettermen Chip Carpenter and Terry Haynes, and with the addition of the J. V. stars, next year's team could be just as good or possibly even better.

Powerhouse of Skill

Hard work and a lot of hussle keynoted the 1963-64 Junior Varsity Basketball Team. Sitting on the J.V. bench for the first time was capable Denny Aria making last minute preparations and instructing his players during the game.

Encountering a rugged season, in the strong Coast League, the Don J.V. team posted a 6-4 win-loss record for the year. They defeated such teams as Warren and Lynwood and lost by only one point to League Champ Compton.

Preparation for future Varsity teams was the main purpose of the J.V.'s. Some of the Varsity hopefuls for next year include hardworking Doc Fristed, Glenn Smallen, Jerry Huckaby and Scott Reid, ball handler Al Camarillo and boardmen Bernie Reynolds and Tom Nelson. With this group the Dons could field the tallest team in C.I.F. next season.

J.V.'s ON THE BALL: Allen Rerden scored an easy two points against the Pirates in the Don Gym hauling Paramount down to defeat giving the J.V. hoopsters a 6-4 league record.

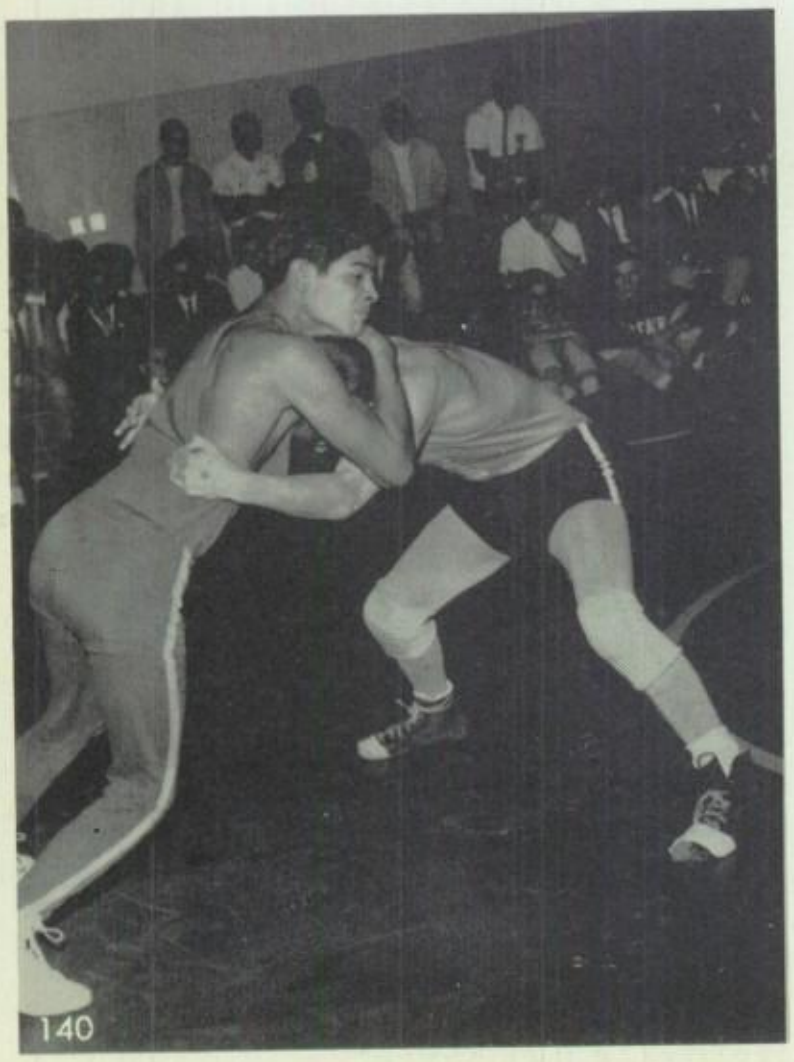
Grapplers Take Second

DETERMINATION PAYS OFF: Bob Lara struggles with a strong Mayfair opponent but finally overcomes him giving the Dons a 29-22 victory over the Mayfair Matmen.



The Dominguez Varsity Wrestling Team concluded its most successful season to date compiling a fine record of nine wins and three losses. The Dons defeated Artesia, winner of the Suburban League and undefeated for the rest of the season. The Dons overpowered a strong Lawndale team which lost only to the powerful Aviation Grapplers.

Our Varsity swept through regular Coast League competition scoring victories over Compton (37-14), Centennial (53-7), Paramount (57-0), Lynwood (31-14), and Warren (26-24). In any other sport at Dominguez this would be a championship, however our wrestlers are in a nine team league consisting of Downey, Whittier, and Bell Gardens High School in addition to the Coast League schools. The final results placed the Don matmen in third place. In the final league tournament the Dons finished second placing six boys in the C.I.F. tournament.

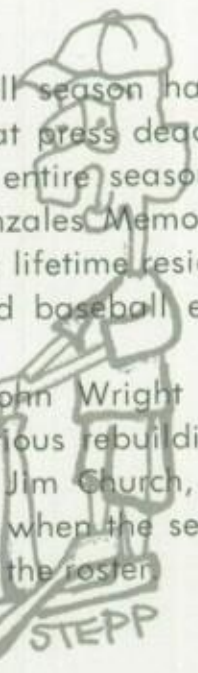
Varsity



The 1964 Varsity Baseball season had been filled with highlights and it is unfortunate that press deadlines make it impossible to include a summary of the entire season in **El Espejo.**

This was the Ramon Gonzales Memorial Season, dedicated to a wonderful person who was a lifetime resident of Compton, a school board member and a devoted baseball enthusiast until his death during the summer of 1963.

The loss of lettermen John Wright and Terry Cole through pre-season injuries created serious rebuilding problems. Three other returning lettermen (Bill Holt, Jim Church, and Roy Lewis) were on the Basketball team; therefore when the season started, Captain Jim Payne was the only veteran on the roster.

Outstanding Efforts by All

A young team, consisting of mostly sophomores and juniors, represented the Scarlet and Gold of Dominguez this track season. The 1964 Track Team upheld the fine tradition of past teams and turned in an outstanding effort in all events and divisions. With only four varsity lettermen returning, the Dons relied on determination and hard work to take up the slack of inexperience. The thinclads went through their practice season undefeated.

In invitational competition, our Dons won the sixteen-team championship trophy at the seventh annual Dominguez Relays, placed third at the thirty-one team Santa Barbara Relays, and finished high in both the Arroyo and Mt. San Antonio Invitationals.

Before the season ended, many meet and school records were broken by our Don track and field men.

The graduating seniors will be missed by Dominguez, because their leadership and performances have inspired other underclassmen to follow suit. We all are proud of their careers at Dominguez, and we will continue to follow their future performances in collegiate competition.

Our returning athletes have demonstrated well what future lies ahead for Dominguez by their record breaking performances in the '64 season.

Don track tradition and pride spell future continued success in track and field competition.

Will To Win Led

A GOOD MATCH: Doug Taylor accepts congratulations from Paramount netman after an exciting victory for the Dons.

Although inexperienced, the Don's first tennis team was sparked with an overwhelming will to win. Led by Bob Hagedorn, Wayne Wortian, and Joe Goyette, the team's fine spirit and sense of comradeship continually inspired second-seeded team members to championship play. This spirit usually led to net victories.

Along with building a foundation in the fundamentals of good tennis, the Dominguez netmen were a definite dark-horse favorite to take the Coast League championship. The team members gained excellent experience and looked forward to a bright future.

To stimulate interest and enthusiasm for athletics and to develop character have always been chief goals of the G.A.A. This was accomplished during the past year through team competition among the schools within the Coast League at playdays. Other various school and community services were performed by the members including assisting at Cross-Country and Track meets.

Among the sports in which the girls participated were: volleyball, basketball, softball, tennis, badminton, and a new sport to the Don campus—field hockey.

In addition to sports, members were active in social and service activities. These included a picnic where new members were initiated under the supervision of "big-sisters," a Christmas party, and the annual Spring Awards Banquet where the girls received their awards for services well performed for the school.

Old Subject . . .

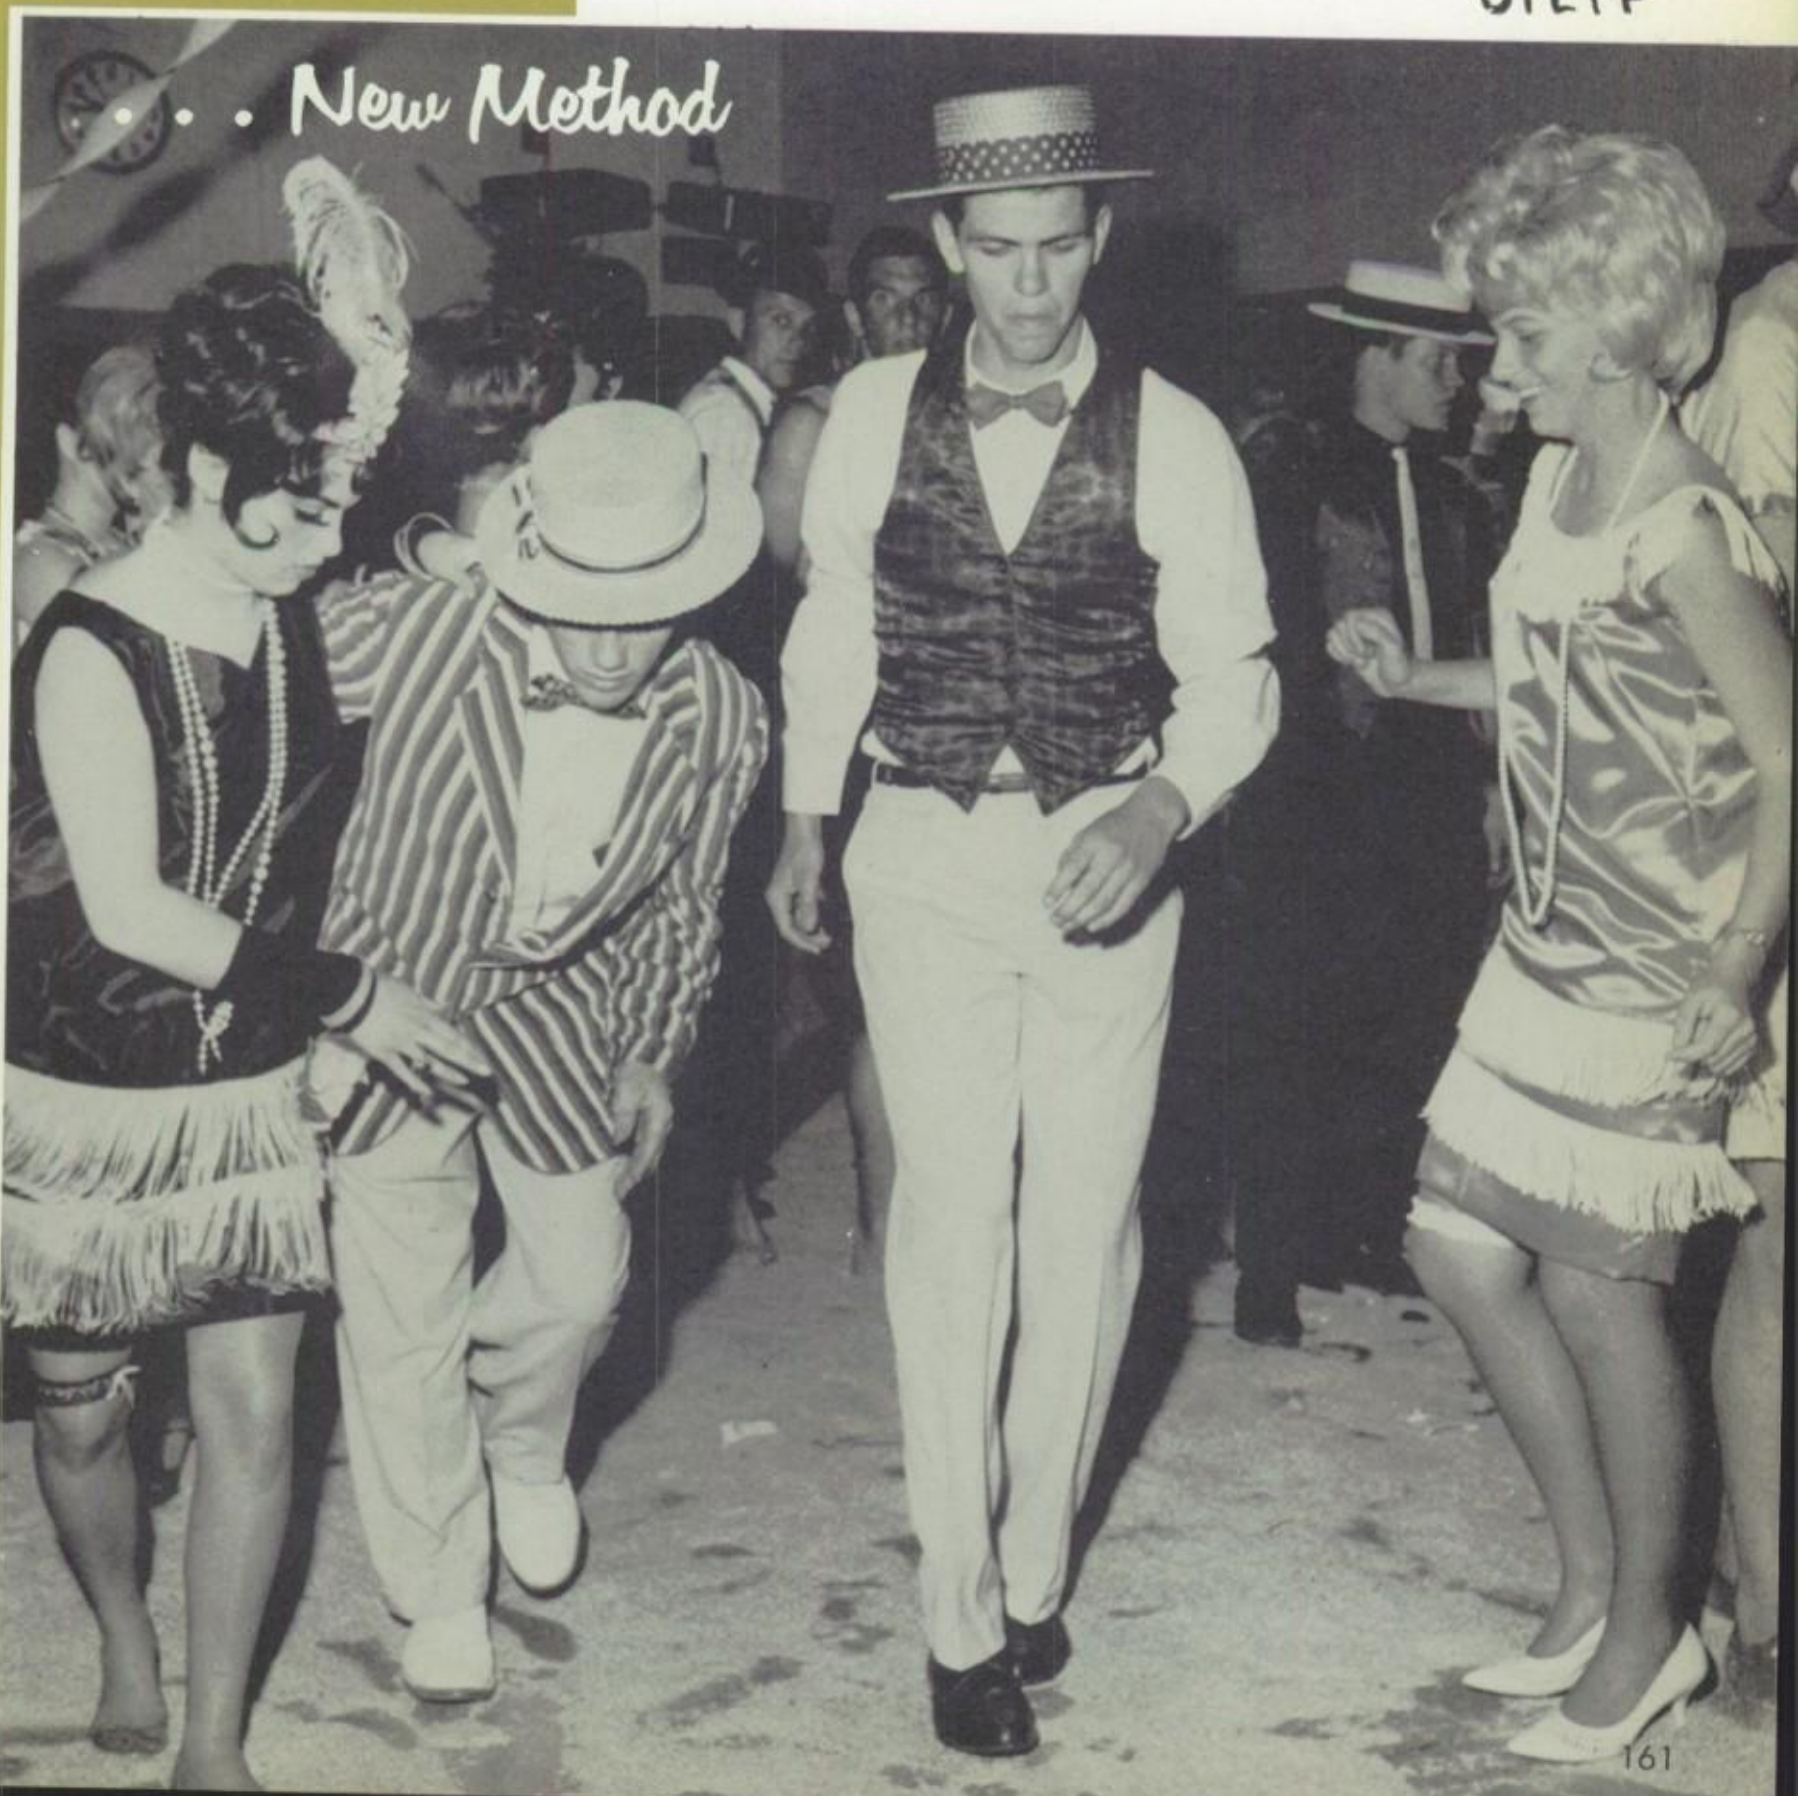
What would the **Good Old Days** have been without campus activities? The Dons learned early in the year that sound plans had to be made and then followed through, in order to sponsor a successful event. The Dons did just that when their class, club, or organization sponsored a special activity.

First, a request for approval had to be submitted to the Student Cabinet, and, if approved, it was put into the hands of the students to use their own initiative and imagination in working out the final details.

Clubs depended on the print shop and art department for programs and posters to help publicize coming events. They published announcements in the weekly bulletin and made daily announcements over the public address system.

That extra spark of "Dominguez Enthusiasm" always added to the special events held on our campus, and made the **Good Old Days** on the Rancho more enjoyable for all Dons.

Activities



Handling all student body affairs during the first semester was a group of strong student leaders who initiated such projects as: better walking and driving facilities to school, and a most successful stadium fund drive. Another activity was the "Welcome 64" party. This was held to raise money for the purpose of taking pictures of Birgitt Barche, our foreign exchange student's life at Dominguez. The close of the semester brought with it the departure of cabinet advisor, Mr. Robert Gregory, who will return next semester following a six month Sabbatical Leave.

Main objectives of the second semester cabinet included organizing a system of school publicity, providing equal recognition for all campus organizations and departments, completing projects begun during the previous semester, and carrying out expectations of a better represented student body. In achieving these goals, the council handled everything from fixing the marquee and senior drinking fountain, to removing dirt piles from the archery range, to spearheading TV publicity. The cabinet was headed by it's first girl president, and was advised by a most capable sponsor, Mr. Chuck Kane.

El Reflejo

Nineteen-hundred sixty-four proved to be a year of changes for the news staff. The new name, El Reflejo took its place at the head of the news page and a new face was seen behind the desk of the faculty advisor.

Guided by Denise Dragichaneau, first semester editor-in-chief, and Robert Miller, second semester editor-in-chief, El Reflejo made many improvements, among which was a new kind of type. The edition grew from four to six pages and came out at two week intervals. The quality and variety of the work was greatly improved.

Staff of 1964

Dominguez is well known for its prize winning journalistic newspaper. The 1964 staff members worked hard to keep this tradition alive. Bob Miller, second semester editor-in-chief, planned the February edition of the El Reflejo while other staff members worked on their staff assignments.

El Espejo

The pace was fast and the days were short for the El Espejo staff this year. Planning and discussing what they felt the Don students wanted was just the beginning of their hard work. Staff members devoted many nights, holidays, vacations, and lunch hours in working out the blank pages assigned to them. With the desire to better El Espejo and present an annual that would be appreciated by the entire student body, the annual staff was faced with a challenge which they met with confidence and determination.

Mr. Jess DeLeon
Advisor

El Espejo staff members were capably guided by the three main-stays of the staff. Mr. De Leon, advisor; Betty Hickman, Editor-in-Chief and John Kendrick, Assistant editor discussed and compared the budget of 1963 with the run-down of the '64 El Espejo budget.

Dons Learned Rhythm, Heritage, an

One of the new clubs on campus this year was the folk music club, sponsored by Mr. Casey. Organized second semester, the main project of the club was electing officers and contributing folk singers to the annual talent show.

FOLK MUSIC CLUB: **Row 1:** Glory Root, Twila Marlar, Linda Cox, Sylvia Chavez, Barbara Plaskow, Gloria Rose, Barbara Harris, Chryal Thompson. **Row 2:** Jeanne Gerien, Virginia Adams, Carolyn Lee, Mary Carr, Penny Sills, Marilee Cree, Lessie Clark, Mary Westman, Cherie Harbaugh, Nancy Casey, Lani Jennings, Kathie Sausser. **Row 3:** Beverly Hemphill, Sharon Whitt, Mary Daskalos, Cathy Comer, Andrea Holycross, Celeste Ash, Yvonne Baster, Marilee Tohey, Mary McVay Mary Keith, Pat Reynolds, Jeanne Goodhue. **Row 4:** Davis Sweet, Dennis Henderson, Chuck Marrow, Tom Sokolowski, Cal Buser, Jim McCleary, Eugene Chislett, Phil Dunn, Gerald Sloan, Mark Lewis, Mike Pringle.

Often times the Production Print Shop wasn't credited for the work turned out from their efforts. The El Reflejo staff was just one example of how the boys spent their class time. Other clubs and various groups requested the services of this fine team. The cards for spirit sales, programs, and place cards which were used throughout the school were all printed by the print shop boys under the direction of Mr. Maynard.

Row 1: Dan Pritchett, Craig Cox, Danny Orr, Ken Buller, Steve Silvis, Mr. Maynard. **Row 2:** Dan Bailey, Tom Stinert, Bob Guenther, Earl Traucht, Gary Hartung.

Practiced Freedom of the Press

Steve Silvis, Production Foreman, spent many hours in the print shop in order to meet the El Reflecto deadlines.

Bob Guenther, Mr. Maynard, Dan Pritchett, Gary Hartung, Dan Bailey, and Ed Traucht worked together efficiently and effectively to produce our school newspaper.

The Dominguez Chapter of C.S.F. recognizes students that maintain high scholastic averages. Those students who have an A or B+ average in all classes excluding physical education are eligible for membership. Students who keep this average for six semesters are awarded the Sealbearer title as well as a pin symbolic of life membership in C.S.F.

Boys' and Girls' State Representatives

California Girls' State was part of a great national youth-in-government program which instilled in the minds of those girls who attended, a practical working knowledge of the structure of American Government. It was a vibrant exhibition of true democracy in action.

It was a week of friendly competition. The girls enrolled were citizens of a mythical state created especially for them. Here, citizenship, not politics, was emphasized and competition for elective office was a means to an end rather than a goal for the citizens.

—Lucy Vawter

California Boys' State, sponsored by the American Legion, is held each year in Sacramento. The eight hundred delegates, recreated our California state government in order to gain a better working knowledge of our state governmental processes.

The innumerable activities which made up Boys' State and the tremendous ideas which it expounded was an opportunity which every Boys' Stater will always cherish!

And may we always adhere to the Boys' State Creed which concludes with these words: "Therefore may the experience of Boys' State be ever with me as a reminder of my obligation to my country."

—Bill Holt

Dominguez Was Well Represented by Informed Students

Students whose special interests were in a career of Math and Engineering were able to examine these fields further by asking questions of guest speakers.

MATH CLUB: **Row 1:** Lucy Vawter, Virginia Adams, Linda Chadwick, Judy Bird. **Row 2:** Robert Schulte, Mike Hongola, Robert Ungar, Raymond Ouellette. **Row 3:** Richard Douglass, David Douglass, Kenneth East, Pieter DeVries, John Adjutant.

Mr. Don Erjavec
Instructor

Dominguez is proud of our Music Department. Many fine programs were enjoyed by the students and their parents this past year.

The Orchestra proved to be at their best this year as they entertained at many on and off campus programs. Some of these were the Christmas Program, Pops Concert, Future Sophomore Night, and the Junior High Schools performances of the Spring Concert. In addition to our Orchestra, many of the students participated in the Compton Civic Youth Orchestra.

CHOIR: **Row 1:** Harriett Aloojian, Sandie Salyer, Nicki Ledestich, Barbara Harris, Eddie Sanchez, Gene Escalera, Marcia Pegram, Glenda Shanahan, Marilee Cree, Elaine Bayliss, Pam Sterger. **Row 2:** Margie Shoemaker, Susan Haggard, Janie Lawrenson, Bob Sparks, Carl Porter, Jim McCleary, Marilee Tobey, Betty Anderson, Nancy DeFoer, Ann Sypin. **Row 3:** Darlene Crites, Birgitt Barche, Beverly Hemphill, Lani Jennings, Frank Rivera, Barney Sulzman, Charles Palm, Gail Wainwright, Yvonne Baxter, Cheryl Bonthius, Pat Lynch. **Row 4:** Nikki Lacioppa, Kathy Oltmans, Valerie Larson, Dianne Moyee, Larry Martin, Cal Buser, Bob Burney, Linda Billings, Cathy Comer, Mary Daskalos, Andrea Holycross. **Row 5:** Mary Keith, Vicki Larson, Rita Maurer, Sue Stolt, Tom Sokolowski, Fred Ziegler, Mark Lewis, Kay Guntzburger, Elaine Guild, Chris Richardson, Michelle Colby.

Group and individual attention enabled the hard-of-hearing students to participate in regular classes and extra curricular activities.

DEBATE TEAM: Many hours of hard work and practice enabled debators Sharon Markenson, Sue Stolt, Lynda Sandford, Mike Pringle, Joanne Soo Hoo, and Mindy Weissman to represent Dominquez in debate with other schools.

My year in the United States, attending Dominguez, has been a milestone in my life. I'm especially thankful for having been able to be a member of the Dominguez family, where I found so much spirit and friendship. But before I leave, I would like to leave behind these few words that led me to the United States and through this year. It is my hope that not only you, but one day all the people of the world might remember this — the slogan of the American Field Service—

"Walk together, talk
together, all the
people of the world.
Then and only then will
you have peace."

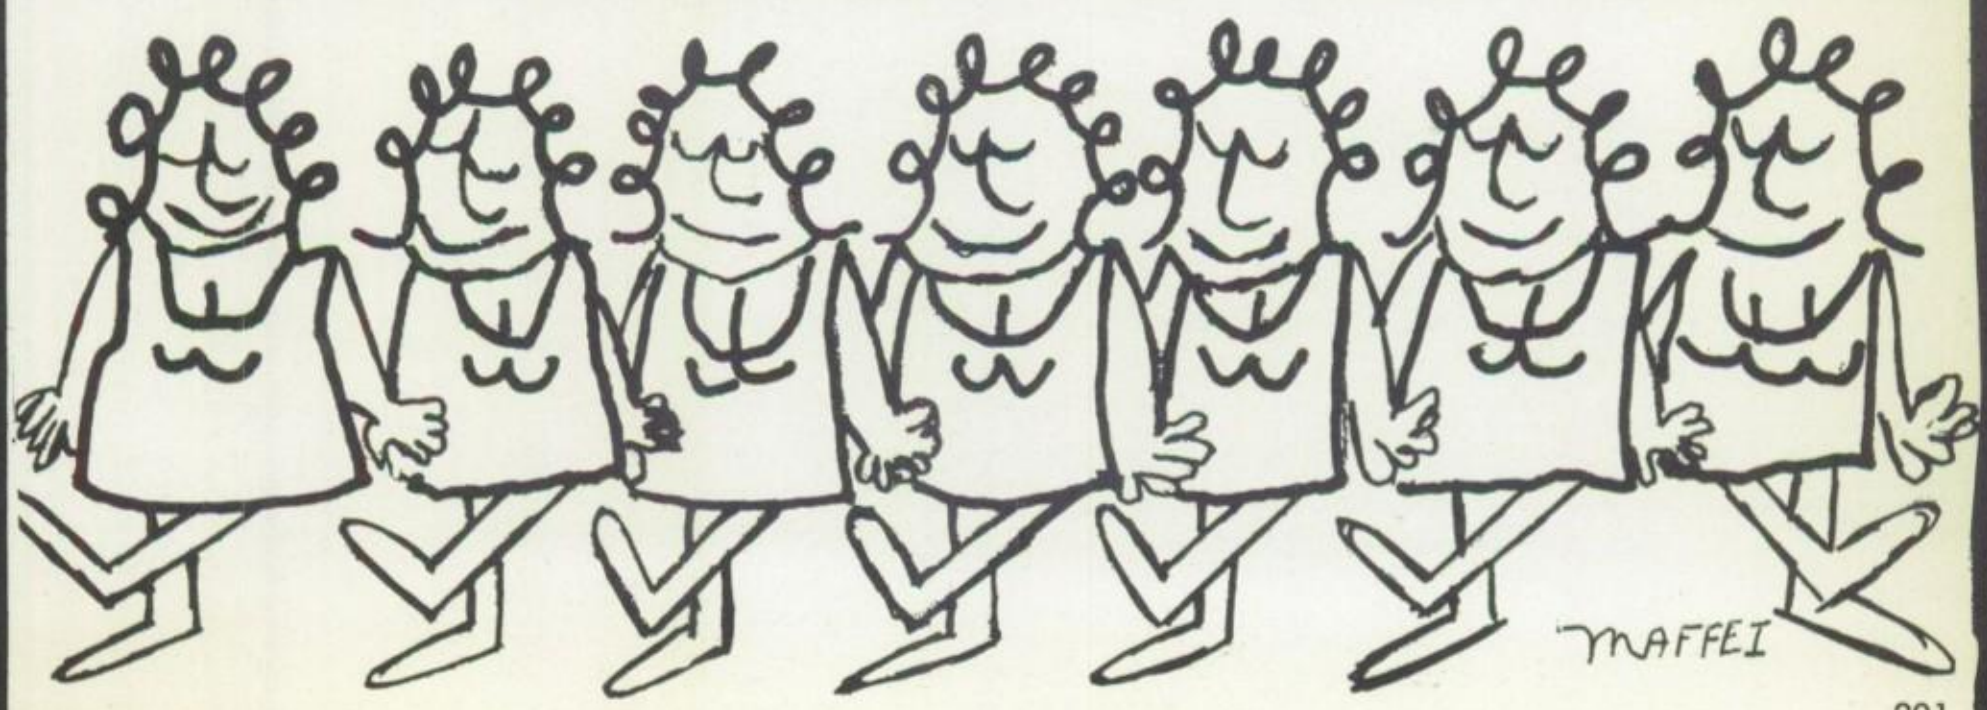
"Smile! You're on Candid Camera!"



As the Good Old Days came to a close, Compton Merchants deserve a word of thanks for their willingness to advertise in the 1964 El Espejo. These businesses have made a great part of this book possible and the students of Dominguez will return their thanks by patronizing their businesses. With Dominguez students pictured in many of the advertisements, we have strived to create a closer relationship between the Dominguez Dons and the Compton merchants in the surrounding area. Our students are very proud that the local merchants are interested in our school.

Retail stores have come a long way since the days of the general stores. The modern conveniences and spacious shopping centers of today's retail stores give us good reason to be proud of the local merchants.

Last Thoughts

As the tide came in on April 10, 1964, the rushing around, clicking of the cameras, sharp sound of the typewriters, cropping of pictures, and all else was quiet. Job 30004 was completed. The **El Espejo** 1964 had gone to press. As editor the tension was over. Knowing that the last page was finished and signed, my days as editor were over. An editor's life is a busy one. Each day is filled with questions and answers, and there are always decisions to be made. You can always expect the new staff members to phone you right in the middle of dinner, a bath, shampooing your hair, or just as you are about to walk out the door with your date. They have just called to explain what they are doing, because they are so pleased with themselves. I haven't considered this year work but more a responsibility and a challenge to produce a book that the students would be proud to own.

The following people have in one way or another contributed to the 1964 **El Espejo.** They very graciously and co-operatively assisted the staff so the annual could have that extra touch that made the book outstanding and original.

Taylor Publishing Company and representative Bill Hubbell for the printing of our book . . . S. K. Smith Company and representative deserve a king-sized thank-you for a special and beautiful job on our cover.

Many thanks must be handed down to Mr. Keith Lee, Principal, who helped to get the ball rolling by giving the staff his permission to go ahead with off campus plans. Mr. Lee, I truly appreciate the freedom you gave us so that the staff could produce a yearbook that we felt the students would be happy to own.

The staff's idea to portray **The Good Old Days** was made possible by Mr. Dean Davison, Public Relations, Knott's Berry Farm.

The introduction and division pages were taken on the grounds of Knott's Berry Farm. Mr. Davison, may I once again thank you personally for your helpfulness and your part in making our book outstanding.

A yearbook, of course, wouldn't be anything if the photography work wasn't good. This is one part of our book that I never had to worry about. The photo work was excellent—thanks to Bob Weygand and Anibal Baca. They were always willing to help us out of a jam, and it wasn't hard to get into one. My deepest and most sincere appreciation goes to these two men. Somehow they always made things seem "not too bad" and managed to keep me smiling—most of the time anyway.

Mrs. Marilyn Bickford granted us the use of her home for the first semester class officers' pictures. With authentic antique furniture, Mrs. Bickford's home added a very novel touch to the **El Espejo.**

Mr. Fedderly, of Fedderly Furniture Company, also added to the book by permitting us to take the second semester class officers' pictures at his place of business. Thank you for your cooperation.

I would like to thank Mrs. Beverly Booth for checking our copy. She always found extra time to help us out. Your time was appreciated.

When class and club pictures were to be taken, Larry LeBlanc, Head Custodian, was always called upon. Larry, I certainly think that you deserve a "big thanks" for all of the times that you had bleachers, ladders, tables, and chairs moved all over the campus just to accommodate the staff.

A group of people seldom acknowledged are the parents of annual staff members. They often have the toughest part of all—they have to listen to the problems and triumphs of their sons or daughters.

As the staff's ideas were made possible by the above people, the long hard hours of work began to fall into line. The staff had to make decisions every day concerning the book.

As the sun rises over the still blue waters it has a glow which sparkles with warmth. This same warmth is my feeling toward the staff. Each person is responsible, and deserves credit for his job. Many exceeded their duties and without these people the **El Espejo** would be missing a lot of its eminence.

Breaking in Sophomores is a job which usually takes much time; however, this year, our Sophomores did very well adjusting to the informal classroom procedures. One of the quietest of our staff members was Joe Brubaker but he had that hidden humorous talent of always being able to fill an extra spot on the pages with his delightfully funny cartoons. Linda Irvine—thank you for being so very co-operative and patient with me while I moved you back and forth between the Activities and the Sophomore Sections. Mary Lou Williams—we made it, didn't we? Sorry it was so confusing this year, but you did a marvelous job on the Senior Section and the class of '64 can't say that all Sophomores are lazy. Thank you very much.

A touch of Junior class ability is scattered throughout the book. Paul Hiley, in charge of the Junior Section, did a splendid job covering the Junior activities. The prom coverage was something original and turned out really nice. Peggy Staley—it took awhile but we managed to get everything together for the Sophomore Section, and I know the Sophs will be proud of their section. Darla Moore—you were forever typing releases, keeping records of staff meetings, and assisting with the Ad section. All of your work was much appreciated. Candy Halverson—I want to thank you personally for your copy and hard work. The real recognition will come when the book is in the student's hands.

Seniors, it goes without saying, we have had the upper berth. Being members of the Class of '64 and of the **El Espejo** staff has given us a chance to produce what you hold in your hands—our last high school annual. We have all learned, had fun, and worked unceasingly to produce this account of the **"Good Old Days of 1964".**

Tom Stepp—your cartoons and sense of humor will long be remembered by the Staff. They knew you could always be depended upon if there was a little extra something to do.

Mary McVay—You certainly must feel relieved to be finished with your job. You worked so hard. The Faculty Section is splendid. Your action shots show a great deal of thought and excellent planning.

Lynda Adkins—the Ad Section is one of the most time consuming sections in the year book. You did a lot of organizing and planning in order that the day for ad pictures went smoothly. Thanks for your help.

Gary McCroskey—the past year has been an experience. I'm truly glad you were able to keep up your high spirits. Thank you for your efforts on the Sports. I am aware of the work you put forth.

Jim Payne, Assistant Sports Editor, always helped the staff with last minute details in order to meet the deadlines. Thank you Jim for your help.

Alice Gallup—as Activities Editor you did a wonderful job of organizing and carrying out the plans for your section. Thank you for being so patient with me. I surely appreciate all the times you went out of your way to help. I asked you to do more than your share but I think we both agree this is a year to remember.

John Kendrick, Assistant Editor, it has been a long hard road, but we made it John and our efforts weren't in vain. How does it feel to know that we have produced a book the Dons will treasure for years to come? Thank you for all of your assistance.

This year has passed by as swiftly as the waves breaking on the rocks and then rushing back out to sea. Many things have happened to make this year one to remember. And now, as I say goodbye, I hope you have enjoyed looking through the **El Espejo** 1964 and that **"The Good Old Days"** have brought back many happy memories.
